

# Sample Schedule for 4-5 Day Campus Mission

---

**Day 1:** Meet with staff and student leaders to set vision for the week.

**Days 2-5:** I usually arrive on campus around 11am each day. Then:

- Noon proxie or outreach talk
- Afternoon appointments
- Evening outreach talk or visit Small Group
- (Speak at Large Group Meeting)

Afternoon appointments include individual meetings with student leaders, students with questions, faculty, non-Christians.

Evening outreach talks can be in dorms or classrooms -- often sponsored by a Small Group. Or sometimes I simply visit a Small Group and do a short presentation followed by Q&A.

Usually I fly/drive home Friday morning or afternoon.

## **Other elements to consider:**

- **Evangelism training and/or chapter building training** for staff and core students.
- **Faculty!** I try to connect with at least one faculty member at each campus.
- **Staff debrief** Thursday night or Friday morning: Looking back on the week, offering my observations about the chapter/campus.
- **Atheist groups:** Sometimes I meet with atheist leaders or serve as a guest interview at their meetings.
